That's the question ??

In a fine and subtile way

Music & Magic mixes during performance !

This is really a "Lovely way to spend an evening "

No
question at all !!

See the Magic.... by not revealing it !

slide show Start diavoorstelling

What we believe is: **Magic has to be like Music !!**

Lighter than your meal !! Easy to see or listen to !!
Below is a sneak preview of our act.....Which is lighter than air !!!!!

The image displays a 3x3 grid of nine small photographs showing a male and female magician performing various magic tricks on a stage with a green background. The first row shows the pair at a table with a yellow cloth, performing a trick with a top hat. The second row shows the female magician performing a wand trick. The third row shows the male magician performing a trick with a yellow cloth, followed by the pair performing a trick with a top hat, and finally the female magician performing a trick with a top hat.
